

Troop 1857 Medical Forms

BSA requires the Troop to have a completed Health and Medical Record form on file for all scouts and participants (including parents, guardians, siblings, youth, staff, and unit leaders) for all Scouting activities such as local tours and weekend camping trips.

NEW SCOUTS

If your Scout is new to the Troop it is recommended you complete Part A and Part B of the Health and Medical Record form so that it is on file ahead of any outings your Scout would like to attend.

SCOUTS (OTHERS) ATTENDING SUMMER CAMP

If your scout (or you) is/are planning to attend Summer Camp June 13-19, the troop will need a **current** medical form completed including Part C.

Part C is a pre-participation physical form that must be completed by your doctor's office and is only valid for one year from the date the exam was performed.

Unless your Scout attended Winter Camp, it is likely a new Part C will need to be completed.

Part C can be found here:

Completed forms can be brought to meetings and given to Sandy DeHaven or contact Sandy directly to make other arrangements. Please do not email medical forms.
